

**Smoky Hill Construction** has an OPENING for a **Directional Drill Operator**.

We are currently seeking a Directional Drill Operator for our projects throughout Kansas. We are looking for someone who has 2 years of directional drilling experience. A valid driver's license (CDL Class A with Tanker endorsement is Preferred).

## **Job Description:**

### Directional Drill

- Operate Horizontal Directional Drill, backhoes, vacuum excavator, etc.
- Spot and identify utilities after they have been located, and consider potential surprises
- Understand various soil and ground conditions for directional drilling, identify which "Drilling Mix" is required for different situations
- Plan drilling path to avoid damage to existing underground utilities
- Assist with connections, services, etc.

### Maintain Equipment as Required and without Reminders

- Clean, check fluid levels and conduct a visual inspection of equipment
- Look for wear points/listen for unusual noises
- Know and work within limits and capabilities of machines

### Basic Safety

- Perform manual labor functions
- Report all incidents, accidents, safety violations, and maintenance deficiencies
- Know safety procedures, always analyze hazards and implement safety skills

## **Requirements:**

- 2 years of experience
- Must be willing to travel
- The applicant must be safety minded about themselves and others
- Must be able to work efficiently with others
- Must be able to assist in other areas as needed
- Must be willing to show up to work every day

## **Benefits:**

**Smoky Hill Construction** offers competitive pay with subsistence, health insurance and retirement package. We are a drug free work place; pre-employment drug screen and physical base line testing is required.

We use E-Verify (Employment Eligibility Verification)

**Smoky Hill Construction** is an Equal Opportunity Employer. All qualified persons are welcome to apply.
